Townsenp. May 7th 1867.

Jefferson Davis, the arch traitor of the bogus confederacy was set at liber- the merits of the suggestion presented in ty on the 13th. In accordance with an my last letter. In that, I submitted to the understood arrangement, he was taken consideration of the officers and patrons of ding the profits as stated, who feeling so inbefore judge Underwood, on a writ of schools in the rural districts, the propriety dignant at such a wholesale swindle would of uniting the summer and winter terms in-Habeas Corpus, set at liberty and at to one, to commence about the 1st of Seponce arrested on a warrant based on as tember and continue until the year's schoolindictment for treason.

admitted to bail in the sum of \$10,000. which was promptly given by several scene in Johnson's drama of punishment. which begun in tragedy and ends in schools. We invite the orphan and the begfarce, for the amount of bail proves congar, the friend and the foreigner to meet us of the Democrats who dont like such wholeclusively that the only thing remaining upon one common level and travel with us sple swindling. to be done is the discharge of Davis, the one royal road to eminence. We may Two years of luxurious seclusion, and well be proud of an institution which comthe leader of a rebellion that cost thousands of lives and millions of treasized by his deluded followers.

political campaign, State or National, little care is bestowed upon the selection of the candidate for the next most responsible position; and we have learned by the saddest experience that in the exigency of the "last being first," it is among the possibilities of political af-Lincoln was nominated for President in obedience to a popular wish that could not be disregarded, there was no care or thought given to the vice Presidency, and ANDY JOHNSON was picked up at a venture. The State Convention that nominated sturdy old John Brough for Governor to run the Executive office istrate, or a different style of man would

Howers, of Ashtabula County, editor and year after year the children in the rural sigh for those that are past, and learn in al of the Ashtabula Sentinel, as a gentleman everyway qualified to fill the office leave school. They must submit submit- faith for the 'sunshine on the other side. of Lieutenant Governor, or Governor sively to the numberless whims and inconeither, if needs be. No man in the sistencies which fill the hollow heads of State has done more efficient service in the Republican ranks, or been a more able, patient, indefatigable advocate of their eventful career in common schools, but a conglomeration without nucleus, a big nothing? It is a fact that no teacher will deny, that the last month of a three months term is worth more than the faithfulness the duties of Lieutenant Governor as presiding officer of a legistive body. Without knowing that Mr. Howelly has any aspirations for political preferment, at a venture we suggest him to the Union party of Ohio

State Senate he ranked first among the best menthere, and gained the experisence which will fit him to discharge with to realize a good school of two months, would it not be policy to lengthen the terms? If the last is the better part, would it not be wise to make more last and consequently have less first?

To Young Parsons desiring to fit themselves for sctive life by a good practical business education, we say go to Oberlin, Ohio, and attend the Union Business Institute. The wide spread popularity this Institution that he wise spread popularity this Institution that he wise spread popularity this Institute. The wide spread popularit suggest him to the Union party of Ohio as a candidate for Lieutenant Governor.

I am inclined to think "my policy" if adoption and successfully managed, would mitigate in a great measure the inconveniences

The New York Independent announces that it will cease to be the special organ of the Congregational Church, and will henceforth be a weekly religious journal abandoning the discussion of doctrines and creeds.

The New York Independent announces many advantages which it seems to me, in another column, of Madame H. A. Perrigo, of Buffalo, N. Y., the great Arrenges and Clairvoyant. Madame P. can be consulted by letter, on all affairs of life, past, present and future.

on, common sense and a lowed the privilege of deciding the most to teach Americans the first principles of a qualifications of the teacher you need, and Democratic Government. The chief glory in fact, have almost exclusive control of of an American citizen is that he can hold up your own schools, and it is to your interest, gives \$6,000 to set it in operation. the great and successful problem of democ- and it is your duty to make it what the law of July and the Continental Congress. Lyon's Periodical Drops. The Great Petrane Leaventh for Irregularies. THESE DROPS are ascientifically compounded furification, and better than any Pfile, Powders or Nostrams. Being liquid, their action is direct and positive, readering them a reliable, speedy and certain specific for the cure of all obstructions and suppressums of nature. Their popularity is indicated by the fact that over 190.007 bottles are annually solft and consumed by the tadies of the United States, or ery one of whom speak in the strongest terms of praise of their greatments. They are rapidly taking the place of every other Female Remedy, and are considered by all who know aught of them, as the surest, asfest, and most infallible preparation in the world, for the sure of all female complaints, the removal of all obstructions of nature, and the promotion of health, recursivity and strength. Explicit directions stating when they may be used, and explaining when and why they should not, nor could not be used without producing effects contrary to mature chosen laws, will be found carefully folded around each bottle, with the written signature of Joan L. Lyon, without which none are genuling.

Prepared by Dr. JOHN L. LYON, 195 Chapel Street, New Haven, Coun, who can be consulted either permate, or by neit famile in a second consulted either permater. The Great Female Remedy for Irregul THESE DROPS are ascientifically compound
